

ECOS is LIVE

10 MAY 2024

[HTTPS://WWW.ECOS-RESEARCH.COM.SG/LOGIN](https://www.ecos-research.com.sg/login)

ON YOUR FIRST LOGIN

1. Check if your profile has been migrated. If not, simply create a new account.
2. Update your ECOS profile page.

3. If you intend to be involved in a study, check that you have your FY23 FCOI declaration form uploaded in the FCOI module.

4. Get familiar with the IRB module. This is where you can submit studies for DSRB approval.

5. Once a new study is drafted, you may add study team members under the CRMS module.

ECOS User Guides and Webinar Slides can be found here >>
